WORKSHOP COORDINATOR

1/2017 - 2/2017

I worked with a team of fellow undergraduate artists, under the supervision of renowned digital artist Nicola Rae, to develop a series of workshops for the 'Tate Kids Digital Makers' series. The aim was to have children playfully interact with sonic visuals and experiment with making interactive installations. Introducing the groups of 8-14 year olds to complex technologies such as Arduino boards, Servo motors and Touch Boards in an age appropriate, fun, manner.
